

NOTICE OF ADOPTION OF RULES AND CIVIL PENALTIES
BY WICKSON CREEK SPECIAL UTILITY DISTRICT

Please take notice that the Board of Directors of Wickson Creek Special Utility District has adopted by rule a Drought Contingency Plan which includes civil penalties for violations of the Plan by any customer of the District. The Plan governs the use of water during drought and other times of water shortages and imposes specific water conservation obligations and use restrictions on customers based upon various drought stages. After an initial written warning, violators of the Plan may be issued citations imposing penalties of no less than \$250.00 and no more than \$500.00 for each day of violation. The full text of the Drought Contingency Plan is available at the District office located at 8770 East State Hwy 21, Bryan, Texas 77808, and also on the District website at www.wicksoncreek.com.
