**V General Policies**

- A. Definitions of Connection. Each residential unit occupied by a separate family, including separate apartments located within a single building, and each business unit occupied by a separate business, including separate establishments within a single building, shall be deemed to be a separate connection for the purposes of this Order.
- B. All Services Charged. At no time shall the District render water services without charge to any person, firm, corporation, or organization. However, abnormal water bills caused by water line breakage not due to customer negligence can be considered by the General Manager for reduction provided:
  - 1. The bill is \$500.00 above their average bill for the previous 12 months.
  - 2. The break is verified by the District.
  - 3. One reduction every two years.

The General Manger may refer any abnormal bills to the Board of Directors for their consideration.

- C. Other Utilities. Prior to installing underground cables in the area of District water supply lines, representatives of utility companies shall contact the District operation to file such companies' construction plan and schedule and to review the engineering plans illustrating the location of the District lines.
- D. Denial of Service. The district may deny service for the following reasons:
1. Failure of the applicant or transferee to complete the required forms.
  2. Failure of the applicant to grant the District an easement in the name of the District.
  3. Failure of the applicant to comply with rules, regulations, policies, and bylaws of the District.
  4. Existence of a hazardous condition at the applicant's property which would jeopardize the welfare of the customer/users of the District upon connection.
  5. Existence of inadequate facilities, as determined by the District or the District's Engineer, for the connection of the applicant's requested tap to the District's system.
  6. Failure of applicant to meet other applicable regulations of various municipal, county, state, or federal agencies having jurisdiction over the use of the District's facilities; and/or
  7. Failure of applicant to provide proof of ownership, to the satisfaction of the District, of property for which the tap has been requested.
- E. Statement of Responsibility. The District does not accept liability for damages caused by service interruptions due to waterline breaks by utility or like contractors, tampering by other users of the District, other events beyond the District's control, or for normal failures of the System.
